

**RAMAN RESEARCH INSTITUTE**  
**BANGALORE 560080**  
**Advt. No. 09/2023**

The Raman Research Institute, funded by the Government of India, is a premier institute engaged in research in basic sciences. More information about the Institute, the fields of research, and other details can be viewed at its website [www.rri.res.in](http://www.rri.res.in)

Applications are invited for ONE POST of RESEARCH ASSISTANT on a temporary basis for APSErA experiment in RADIO ASTRONOMY. APSErA is a novel experiment to detect spectral distortions in the cosmic radio background arising from the formation of the very first atoms in the Universe. APSErA is designed to operate at radio frequencies over the frequency range of 2- 4 GHz. The appointee would work towards design and development aspects of digital system of APSErA, focusing on the development of state-of-the-art digital platforms, hardware testing, and integration. The appointment would be for a period of one year, extendable to a second year, subject to satisfactory performance and project status. We seek motivated individuals, with good academic background, proficiency, and aptitude in experimental research. We prefer a candidate seeking experience in digital electronics instrumentation for astronomy over a 1 to 2 year period. The ability to work with a team is essential. The details of the required qualifications and experience are given below.

**Job Description:** The successful candidate would work on the APSErA experiment, working in the domain of digital electronics. The work would involve participating in the design, development, characterization, testing of digital electronics and digital signal processing.

**Remuneration:**

A consolidated remuneration of Rs. 31,000/- + admissible HRA per month. Maximum duration: 1 year, extendable to 2 years.

**Essential Qualification:** B.E./B.Tech. degree in Electronics & Communication Engineering or Telecommunication Engineering or Instrumentation Engineering, with at least 70% marks or 7.0 CGPA in the qualifying examination.

The applicant is expected to provide documentary evidence of previous pursuits in digital electronics. Ability to work in teams and field stations is essential. Although the position and work will be based at the Raman Research Institute campus at Bangalore, it may be needed to make field trips with the team members for testing of radio astronomy receivers and/or system tests and measurements.

**Desirable:** (these are expected additional qualifications and skill sets) A valid GATE score in respective specialization is desirable. Practical job experience in digital electronics, FPGA-based systems, and VHDL scripts. The application may document examples of project work or experience in these domain areas.

**The last date for receipt of applications is 15.01.2024.** All applications received till the due date would be given due consideration. If no suitable candidate is subsequently selected by the screening and interview process, the position would be kept open on the Institute website till filled.

**Upper Age Limit:** The upper age limit is 30 years as on the last date of application. Applicants above 30 years may be considered if accompanied by commensurate experience and competency.

**General Information:**

1. Age relaxation will be applicable as per Govt. of India rules for the candidates belonging to SC/ST/OBC/PWD categories.
2. The Institute reserves the right to restrict the number of candidates for test/ interview to a reasonable limit, on the basis of relevant qualifications and experience higher than the minimum prescribed in the advertisement.
3. Mere fulfilling the essential and desired qualifications will not entitle an applicant to be called for an interview.
4. The Institute reserves the right to relax any of the above requirements in exceptional cases.
5. The Institute reserves the right not to fill the post herein advertised.
6. Canvassing in any form shall disqualify the candidate.

**How to apply:**

Interested candidates can apply by filling up an online form, and uploading all the relevant documents/images, including:

1. Scanned colour copies of educational certificates and marksheets,
2. Curriculum Vitae (1-2 page),
3. Statement of purpose (1-2 page), as to what motivates the applicant to apply for the above post and why the applicant is the appropriate choice for the opening,
4. A recent passport-size photograph and signature

Each applicant would need to provide references of two individuals whom the Institute could contact for referral letters.

In case of any queries/help, please contact [recruitment@rri.res.in](mailto:recruitment@rri.res.in)
